

Above The Clouds

Connie Cook © 1986

Blue skies
High above the clouds
Cool wind a-blowin'
Sunshine a-flowin'
Freedom lies
Above those clouds

And there's a rainbow, a heart-glow
Colors and sound
There's true love, pure love
All around

You & I
High above the clouds
Clouds are illusion, pain and confusion
Freedom lies
Above the clouds

So we can fly high, pass by
Sadness and fear
True love, pure love
Is always here

Lai, de-dai dai dai dai...

Blue skies
High above the clouds
Clouds are illusion, pain and confusion
Freedom lies
Above the clouds

So we can fly high, pass by
Sadness and fear
True love, pure love
Is always here
