Baby one
Little one
Precious little child
Mmm...

Hello, little Baby One
We're so glad you're here
Hello, little Baby One
You're so very dear
To Mama and Daddy
Who hold you, and laugh, and cry
Everyone's so happy
You came down from the sky

Yes, hello little Baby One
What 'cha gonna do
You're here on ancient Planet Earth
But it's a whole new world for you
To pick up and play with
Like a ball rolls to your feet
May you always love it here
May each day be a treat

Baby one
Little one
Precious little child
Mmm...

Now listen, little Baby One
Remember where you're from
Think of your perfection
In all the days to come
Never get distracted, from what you truly are
Children are from heaven and each one is a star
Children are from heaven and each one is a star

Baby one
Little one
Precious little child
Mmm...
