

God Just Wants To Have Fun

Have you seen a stream in a forest?
Or down a mountain as it will run?
When I see a stream flowing happily
I think that God just wants to have fun.

Have you seen the sun on a cloudy day
With a brilliance that can stun?
When you see it breakin' thru with a golden ray
Don't 'cha know God just wants to have fun.

Ha ha ha ha ha
Ha ha ha ha ha
Oo oo...la la

Have you seen a child on a Ferris wheel?
Goes again when the ride is done.
Have you seen a baby deer in a meadow
I think that God just wants to have fun.

Have you seen yourself on a good day
With a brilliance next to none?
When you see yourself in a good way
Don't 'cha know God just wants to have fun

Ha ha ha ha ha
Ha ha ha ha ha
Oo oo...la la

La Laa
La La
La Laa

Let's have fun!
