

The Nothin' Is Wrong Song

Connie Cook Smith © 1988

**This is the nothin' is wrong song
'Cause we're thinkin' nothin' is right
Wake up in the mornin' in anxiety
Spendin' everyday uptight**

**But ooo-eee
Repeat after me
This song says nothin' is wrong**

**Now, this is a sing along song
To end all the worry and strife
Time to stop fussin' and feudin' and fightin'
Time to get on with your life**

**But ooo-eee
Repeat after me
This song says nothin' is wrong**

**NaNaNa...
NaNaNa...
Ooo-eee
Repeat after me
This song says nothin' is wrong**

**This is the nothin' is wrong song
'Cause we're thinkin' nothin' is right
Wake up in the mornin' in anxiety
Spendin' everyday uptight**

**But ooo-eee
Repeat after me
This song says nothin' is wrong
This song says nothin' is wrong!**
