

Smiling

**Smiling, grateful for you
Traveling by your side
Flying, when I'm with you
No more need to hide**

**Rolling, through glorious clouds
Cities & mountains & seas
Dreaming, we're dreaming out loud
Playing amidst the trees**

La la la...

**Seeing, what we want to see
Nothing but sunlit days
Being, what we want to be
No one can take it away**

**Knowing, the good and the true
Sharing with all of our heart
Flowing, with love through and through
Never again apart**

La la la...

**Smiling... through glorious clouds
Dreaming... we're dreaming out loud**

Smiling...
